Board Mission

The mission of the Kansas Board of Pharmacy is to ensure that all persons and entities conducting business relating to the practice of pharmacy in this state, are properly licensed and registered in order to protect the public's health, safety and welfare and promote the education and understanding of pharmacy related practices.

The Kansas Board of Pharmacy may address agenda items out of sequence to accommodate persons appearing before the Board or to aid in the efficiency or effectiveness of the meeting.

Public comment is welcomed by the Board, but will be heard only when that item on the agenda is reached and will be limited to five minutes per person.

Administrative hearings could be in open or closed session, depending on each individual case so portions of the hearing may not be in open session.

Any individual with a disability may request accommodation in order to participate in the regular Board of Pharmacy meeting.
